Background information

All questions refer to *Clever Pay*, a software company helping businesses with their payroll solutions. The software provides businesses with an easy and cost-effective wages system to pay employees. *Clever Pay* has grown rapidly, and the company now employs 40 full-time staff.

Chief Executive Rob Williams started the company in 2007. *Clever Pay* was the first company to bring this new software to the New Zealand market. They are the market leaders. Recently, new competitors have entered the market.

QUESTION ONE: ORGANISATIONAL STRUCTURE

Explain c	ne feature of a tall organisational structure.
-	
	ness has grown quickly. Fully explain some of the problems that may occur if the continues to use a tall organisational structure.

ASSESSOR'S USE ONLY

Clever Pay has recently lost market share with the entry of new competitors, although it is still the market leader. Rob Williams understands that organisational structures need to change as the market changes.

- (c) Fully explain and justify a new type of organisational structure that *Clever Pay* could implement to increase its competitiveness, given the loss of market share.

 In your answer:
 - identify and explain the features of the new organisational structure
 - fully explain how the decision-making process at *Clever Pay* could change with the implementation of the new organisational structure

Clever Pay's co	mpetitiveness.

QUESTION TWO: MANAGERS AND LEADERS

ASSESSOR'S USE ONLY

The fall in market share has resulted in a decrease in revenue for *Clever Pay*.

In response to this situation, Rob Williams has decided to create a new research and development (R&D) department. The aim of the R&D department is to improve *Clever Pay*'s services to its customers. Rob sees creation of new ideas as very important for the long-term economic sustainability of *Clever Pay*, and to retain its position as market leader.

Clever Pay has hired a new manager, Jack Grey, to run the R&D department. Jack will be responsible for eight employees.

	explain how the roles of Rob as leader, and Jack as manager, can be different.
n yo	our answer, refer to:
	vision
	organising people and tasks.
′ou	may use an example to support your explanation.

Question Two continues on page 8 ➤
