| Demonstrate understanding of the significance of features of work(s) of art in the classical world. | Demonstrate in-depth understanding of the significance of features of work(s) of art in the classical world. | Demonstrate perceptive understanding of the significance of features of work(s) of art in the classical world. |

Check that the National Student Number (NSN) on your admission slip is the same as the number at the top of this page.

You should answer TWO questions in this booklet.

If you need more room for any answer, use the extra space provided at the back of this booklet.

Check that this booklet has pages 2–16 in the correct order and that none of these pages is blank.

YOU MUST HAND THIS BOOKLET TO THE SUPERVISOR AT THE END OF THE EXAMINATION

TOTAL

You are advised to spend one hour answering your chosen questions in this booklet.

INSTRUCTIONS

Answer TWO of the four questions in this booklet:

- Architectural features (page 3)
- Artistic features (page 6)
- Cultural expectations (page 9)
- Themes and patterns (page 12).

Make sure that each of the two questions you choose suits a classical art work or building that you have studied. You may refer to the same art work/building or a different art work/building for each question.

You must support your answers with evidence from the named classical art work or building.

Space for planning has been provided with each question.

EITHER: QUESTION ONE: ARCHITECTURAL FEATURES

ASSESSOR'S USE ONLY

Classical architecture commonly combines considerations of both a building's purpose and its appearance.

- Explain in detail how the design features of a named classical building that you have studied reflect its purpose.
- Discuss the visual impact of these design features.

You must support your answer with evidence from the named classical building.
