	Locks from the Pacific Ocean to the Atlantic Ocean?

Read the geographic concept below, and refer to it, as well as **Resource H** on page 9 of the resource booklet, when answering (d) and (e).

ASSESSOR'S USE ONLY

#### Geographic Concept

**Perspectives** are ways of seeing the world that help explain responses to environments. Perspectives involve people's perceptions (how they view and interpret environments) and viewpoints (what they think) about geographic issues. Perceptions and viewpoints are influenced by people's values (deeply held beliefs about what is important or desirable).

For copyright reasons, this resource cannot be reproduced here.

Source (adapted) from http://www.pancanal.com/eng/op/transit-stats/2014/2014-Table00[1].pdf

The cartoon above reflects a particular perspective in relation to the Panama Canal expansion.

- (d) Which of the three individuals in Resource H best reflects the perspective in the cartoon above?
- (e) Fully explain why the individual you chose in (d) best reflects the perspective in the cartoon.

In your answer, you should:

- use geographic terminology
- use the geographic concept of perspectives
- integrate specific evidence from Resource H.
