Assessment Schedule – 2018

Technology: Demonstrate understanding of design elements (91053)

Assessment Criteria

Achievement	Achievement with Merit	Achievement with Excellence
Demonstrating understanding of design elements involves: • describing the elements that underpin design within a specified context • describing considerations used to determine the quality of a design within a specified context.	Demonstrating in-depth understanding of .design elements involves: • explaining the elements that underpin design within a specified context • explaining considerations used to determine the quality of a design within a specified context.	Demonstrating comprehensive understanding of design elements involves: • discussing the quality of a design in relation to design elements and considerations of the specific context in which the design is situated.

Evidence

N1	N2	A3	A4	M5	M6	E7	E8
Demonstrates very little understanding, and / or is substantially reproduced with little mediation by candidate.	Report is substantially produced by the candidate but demonstrates little understanding. Not enough evidence to show understanding. One part of the required response may be completely missing or several parts may be weak.	Describes as required to show understanding. Some aspects may be partial or weak.	Describes as required to clearly show understanding.	Explains as required to show in-depth understanding. Some aspects may be partial or weak.	Explains to clearly establish in-depth understanding	Discusses to show comprehensive understanding. Some aspects may be partial or weak.	Fully discusses to clearly show comprehensive understanding.

N0 = No response; no relevant evidence.
